But if you do any kind of informative or creative projects for work, school or your own personal hobbies, there may come a time when you need some art. Hiring someone to make it can be expensive and timely, and even some websites that offer stock art and photos can be expensive. Luckily, there are still plenty of places out there to find free old-school clip art, some of which have been around for quite a long time. Check out a few tried-and-true favorites.Clker.com Clker.com features thousands of free clip art images from around the web, and it's super easy to navigate. Choose from subjects like religion, office, family, animals, baby and wallpaper. All pictures are free to use in any capacity you like since they're part of the public domain. CC0/Kaz/Pixabay Fudgegraphics The graphics at the blog Fudgegraphics are high-quality even if the collection isn't as big as that of other sites. It's been around since 2008. In addition to vectors, you'll find textures, brushes, tutorials, inspiration and wallpaper, most of which are free to use. CC0/Catkin/Pixabay Vector Portal Vector Portal offers vectors and clip art that are high-quality, though keep in mind that not all are available for commercial use. You'll also need to attribute the source if you choose to use the art from this site. Categories include animals, backgrounds, food and drink, military, sports and symbols. CC0/Annalise1988/Pixabay Vecteezy Vecteezy relies on a community of artists to keep its graphics fresh. While some of them do require a small fee, many are free. You'll also find a cool blend of subjects and styles, ranging from pop art to kid-friendly cartoons. This isn't your parents' clip art site. CC0/Annalise1988/Pixabay ArtVex If it's simplicity you seek, ArtVex is the place for you. With over 10,000 images, the site's custom Google search box makes it easy to find what you're looking for. Choose from categories like animals, nature, music, money, people and holidays. CC0/Melaniko/Pixabay Free PNG IMG Not only does Free PNG IMG feature high-quality PNG pictures you don't often see on online clip art free sites, but there are over 50,000 to choose from. Each one is free to use, and you can select from categories like tattoos, holidays, cartoons, clothing, cars, brands and more. CC0/Annalise1988/Pixabay StockioIf you're looking for vectors you can edit yourself, look no further than Stockio. You'll find a variety of high-quality options you can even use on professional materials. The site is excellent for making cards, invitations and backgrounds. CC0/Annalise1988/Pixabay 123 Free Vectors Saying 123 Free Vectors has a little bit of everything isn't an exaggeration. The site is home to over 62,000 background art and image vectors, and every single one is free to download. Choose from categories like backgrounds in individual colors and specific holidays and even specialized options, like American flag backgrounds. CC0/PublicDomainPictures/Pixabay Public Domain Clip Art At first glance, Public Domain Clip Art doesn't seem like much of a website with its simple structure, but if you dig a little deeper, you'll notice it has over 25,000 free images you can use any way you want. Not only does it have popular categories, like animals and sports, but it breaks them down into categories like dogs or birds and football or golf so what you're looking for is easier to find. CC0/PublicDomainPictures/Pixabay Free Design File Free Design Files has over 160,000 free vectors, so you're sure to find something you want to use here. All images are free for personal use and most are free for commercial use with a few exceptions. The site is filled with high-quality options, along with some free brushes for Photoshop and design elements. CC0/Mohammed_hassan/Pixabay 1001 Free Downloads The artists who run the site 1001 Free Downloads make in-house clip art, but they also collect freebies from around the Internet so they're all in one place for you to use. In addition to vectors, you'll find a variety of other tools you can use, like photos, fonts, wallpapers, gradients, patterns, brushes and textures. CC0/Annalise1988/Pixabay ClipArt Etc. When you first visit ClipArt Etc.x, you might not think it has much to offer, but there's more than meets the eye. Aimed at students, teachers and anyone working on an education project, the site lets you use up to 50 of the over 71,500 clip art images in one project for free. Enjoy unique education collections like counting, seasons, insects, mathematics, American history and more. CC0/PublicDomainPictures/Pixabay Discovery Education The Discovery Education site is filled with free resources for teachers and students, including free clip art. Each image is made in-house, and features a high-quality picture. These images are perfect for students to use on school projects. CC0/PublicDomainPictures/Pixabay MORE FROM QUESTIONSANSWERED.NET Clker A search at Clker comes up with hundreds of free pumpkin and autumn-themed clip art, each of which is available as small, medium, or large PNGs or an SVG file. There are several pages of images at Clker.com, so make sure you look through all of them to find something unique. Pumpkin Clip Art and Vectors from Clker gingerbread house coloring pages house outline clip art small house clipart house outline clipart altered clipart cleaning supplies clipart cleaning out closet clip art black and white witch doll clip art Kokeshi mushroom house clipart jacht clipart clipart boots dora the explorer not taking care of the environment clipart clip art porcelain doll coppelia clipart house clip art free house icon png port and starboard colours little girl cliparts victorian house clip art doll toy clip art clip art christmas snowman template free fall clip art black and white clip art black and white church school fun clipart clip art images of music focused clip art dinosaur clip art hansel and gretel png doll clip art home clipart dog with a drum clipart doll clipart black and white flower in a pot clipart black and white classic winnie the pooh friends cleaning clipart black and white Clip art circle birthday cake with candles clipart back button png icon lantern chinese new year clipart three dimensional shapes in house rose clip art santa claus peeking png photograph clipart black and white fruits clip arts red music note clip art love clipart free turtle in a box clipart angel pattern Clip art green eyes girl clipart huawei mate 20 pro frame png line art small paper clip art house outline clipart adult eating cotton candy clip art christmas sheet music clipart bird in a cage clipart black and white sayings for the bar reusable shopping bag cartoon building bricks clipart brighton bathing boxes rooms in the house clipart lundby dollhouse Grey Banner Cliparts Shoes Pictures Fancy Nancy Cliparts Girl Pattern Cliparts Financial Advisor Cliparts 3d Smiley Face Free Team Umizoomi Coloring Pages Printable Herbs Cliparts Mustang Silhouette Clip Art White Decorative Lines Png Transparent Black And White Flowers Minnie Mouse Head Black And White If you have a graphics project and you're trying to come in under budget, you might search for free clip art online. It's possible to find various art and images that are available for download without charge.What is Clip Art?Clip art includes images and pictures that you can import into various programs or into documents. Clip art images will be either vector graphics or raster graphics. Artists might create clip art by hand or digitally using software. Although clip art has been around for decades, the creation process has become very simplified compared to how artists made clip art several decades ago.Clip art in vector graphics format isn't limited by a predetermined number of pixels. This means that you can resize the image to make it larger, and it won't lose its crisp lines. The main file extensions for vector graphics are .svg and .eps, and you'll need to work with the vector image using special editing software such as Adobe Illustrator.Clip art in raster graphics format will have the .jpg file extension. These images aren't resizable without losing resolution quality. So, to make a raster graphics image larger without making it fuzzy, it will need to have a high resolution.Royalty-Free Clip ArtRoyalty-free clip art includes images you can download and use without restrictions. This means you can use the images privately for your own use, such as in scrapbook layouts or personal art projects that you won't be distributing anywhere. You can also use these images on websites and even on business cards or other items you print. The only limitation placed on royalty-free clip art is that you can't resell the images to other people, such as if you decided to start your own clip art business to list and sell the images.Searching for Free Vector GraphicsWhen you want to find vector graphics for a project, search for public domain images. These vector graphics will usually be housed on websites that categorize them according to different subjects, such as animals, foods, holidays, people, plants, recreation and more. Peruse the different categories to find graphics you want to download. Depending on the website, when you find a piece of clip art you want to use, you may need to register to download it, or you might just right-click it to save it to your computer. After right-clicking, choose "save image as," and then choose the location where you want to download the image.Searching for Free Raster GraphicsWhen you want royalty-free raster graphics, you can search for this format using an Internet search engine. Some websites will require that you register for an account before downloading. When you're looking for clip art for personal use, it's reasonably easy to find free downloads. Some websites will charge you for clip art used commercially, especially if you want an extended license.Gautions About Public DomainPublic domain works are available to use without restrictions. But, researching an image can be challenging because often several jurisdictions are involved with an image's public domain status. So, when you find a clip art file that is presented as in the public domain, it's wise to research its public domain status and any possible copyrights that may be in place before proceeding with commercial use to make sure that you're not violating a copyright in place.
